Associate Professor LI, XIANFENG

School of Computer Science and Engneering, Faculty of Innovation Engineering
Macau University of Science and Technology

Office: A317
Tel. : +853-8897 3036
E-mail : xifli@must.edu.mo

Academic Qualification

Ph.D., National University of Singapore, 2005

B.Sc., Beijing Institute of Technology, 1995

Teaching Area

Undergraduate Courses:

CS230 Computer Organization

CS231 Computer Organization Laboratory

SE370/EIE470 Computer Networks

SE371 Computer Networks Laboratory

PhD Courses:

DIAE01 Deep Learning

DINE02 Network Routing Protocol and Its Theory

Research Area

Explainable Artificial Intelligence (XAI)

Artificial Intelligece of Things (AIoT)

Edge Intelligence

Hardware Accelerators for Data-Level Parallelism

Energy Optimization for Mobile Systems

Dataplane of High-Performance Networking

AI-enabled Flying Adhoc Networks

Working Experience

2019 - present: Associate Professor, School of Computer Science and Engneering, Macau University of Science and Technology
2009 - 2019: Associate Professor, School of Electric and Computer Engineering, Peking University Shenzhen Graduate School
2008 - 2009: Lecturer, , Microprocessor Research and Development Center, Peking University Shenzhen Graduate School
2006 - 2008: Postdoctoral Researcher, School of EECS, Peking University
