

金子梁 (JIN Ziliang)

Assistant Professor (zljn@must.edu.mo)

Education

- 2012 – 2017 Ph.D: Minerology, Petrology, Metallogeny – China University of Geosciences (Beijing)
- 2008 – 2012 B.Sc.: Geology – China University of Geosciences (Beijing)

Professional experiences

- 2021– Macau University of Science and Technology (MUST), China – Assistant Professor
- 2017–2020 Arizona State University (ASU), USA – Postdoctoral Scholar
- 2015–2017 GeoForschung Zentrum (GFZ), Germany – Guest Scientist

Research

- Derivation and migration of the primordial materials in the solar system
- Planet differentiation processes
- Space process laboratory simulations

Teaching

- Cosmochemistry & Advanced topics (for Ph.D students)
- Planetary Science (for Master students)
- Earth Science (for undergraduates)
